STAT Mr.   
7DOZ Hq

Thanks for giving us a pre-  
view of the latest edition of the  
rationale paper.

I think it is excellent. I've  
made a few marginal notes on  
editorial points.

Most importantly, this argu-  
ment can logically be applied only to  
the professional and  
that we try to divide the policy  
also.
